

US Coast Guard Presents

We are pleased to announce the US Coast Guard Atlantic City will be our host today for a series of seminars. With the summer flying season upon us, three topics were selected that have great relevance for the area pilots. Water Survival, How to avoid getting Intercepted and Lazer Safety will be the featured discussions. Great day to come out to a seminar.- get ready for summer flying season. Click the link below and register TODAY.

Directions: PREREGISTRATION required, as well as, Picture ID, such as Drivers License. Arrive early for entrance through front gate security. There is room for 12 Aircraft to fly in and park at the Coast Guard Facility. Please call LCDR W. Keith Blair to make arrangements. 609 677-2095 for fly in.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
